

2021 Vendor Information

SALES TAX

ALL vendors provide their sales tax permit number. If you do not have a sales tax permit, simply fill out our form which we can provide for you. The form is also available on our website.

ADMISSION

Admission is **NOT** included in your vendor fee. The fee is **\$10 which is not optional**. Admission income is tracked and expensed out separately in our associations finances.

THE BARN

These 10 spots have been in high demand as they are our only indoor booth locations. Please contact me to have your name put on a waiting list if you prefer an indoor booth.

CAMPING

The public is welcome to camp on the grounds in a self contained place or in primitive camping where there are no hook ups for \$10. Camping is available with hookups but these spots are very limited and reservations are required. Vendors are not allowed to set up sales booths in this area as it is reserved for camping only. Vendors wishing to park and/or camp alongside their booth need to register for a space on the south side of the driveway. Please be prepared to pay \$25/day extra should you be able to hook up to electricity. Camping is available as early as Thursday prior to the event.

OFFICE LOCATION

I will be in the office on Friday. Due to possible school tours, **vendors who would like to set up on Friday NEED to wait until 3pm to arrive on site.**
